

To Parents

ASA,

I have assigned the Questions at the end of each chapter as my study guide to the students and already reviewed with them and answered all of the questions in class on Sunday.. I had the kids make notes on their books for you to see.. if you would go over the questions and the end of each chapter with your son or daughter and make maybe read the lesson with them will be very helpful .

2ND grade

Surah AL Quresh and surah AL Fil

3rd grade

Surah Al Bayinah and surah AL-Qader

Also agreed with kids they will recite in our next meeting at least one surah from the above as part of their test and the other surah will be recited on day of the exam (following Sunday).
