

BIS Final Exam study guide. Grade 2

Dear Parents .

ASA

This academic year has flown by very fast. We are now close to final exams on 6th May. The text for my class is the life of the Prophet in Mecca. The children will be tested on the entire book. Which means that the information from last semester will be a revision for the children.

There will be a 20 question MCQ single best choice paper.

Sample question

q. Prophet Mohd. PBUH ascended the heavens on this animal

1. camel
2. giraffe
3. buraq
4. elephant

The children have also been taught the months of the Islamic calendar. This handout is in the white photocopy book that was compiled by me for this grade. They have been taught the names of the months and what are one or two important events that occurred in them. So 2-3 MCQ questions will be from this material as well . e.g.

Q. in which month do muslims fast (saum) the entire month

1. rajab
2. ramazan
3. safar
4. rabi ul awwal

I hope this information is helpful in your test preparation.
