STUDY GUIDE GRADE-1B (MID TERM: 2015-2016)

-We always say "BISMILLAH" before we start eating.

- We should say "ALHAMDOLILLAH" whenever something good happens to us.

- We should say "INSHA'ALLAH" whenever we plan for the future.

- We should say "ASTAGHFIRULLAH" whenever we do something wrong which is displeasing to Allah (SWT).

- We should say "AaUZUBILLAH" whenever Shaytan tells us to do something wrong.

- The name of first man created by Allah (SWT) is "ADAM". He was also a "FIRST PROPHET".

- Jinns are made from "FIRE".

There are good jinn and bad jinn. The bad jinn are also known as "SHAYTAN" whose leader is "IBLEES". Iblees disobeyed Allah (SWT) by not bowing down to Adam (PBUH). Allah (SWT) cursed Iblees and ordered him to leave Jannah. Iblees told Allah (SWT) that he will misguide men and move them away from His straight path so that they can go to hell. Therefore Iblees is our "BIGGEST ENEMY".

Adam (PBUM) and his wife also disobeyed Allah (SWT) by listening to shaytan, who tricked them by saying, if they will eat the fruit of forbidden tree they will live forever in heaven". However Adam and his wife felt very bad after disobeying Allah (SWT) and asked for His forgiveness. Allah forgave both of them.

MORAL OF THE STORY: Allah is pleased with those who wrong themselves but immediately realize it and ask for His forgiveness, like Adam and his wife. Allah does not like those who disobey Him "OUT OF ARROGANCE "and do not seek for His forgiveness like Iblees.

Note to the parents: if you like you can go over the detailed story of Adam (PBUH).

-Angels are made from "LIGHT" and human are made from "CLAY".

-"WUDOO" means washing some parts of the body before salaah. Our salaah is not accepted without wudoo. Prophet Muhammad (PBUH) said "WHEN SOMEONE MAKES WUDOO, HIS SINS LEAVE HIS BODY".

- Before starting wudoo , first of all make "INTENTION OF MAKING WUDOO" in the heart and say BISMILLAH.

- STEPS FOR WUDOO.

- We "SHOULD NOT WASTE A LOT OF WATER" while making wudoo.

-Falling asleep and using the toilet are actions which "BREAK" wudoo.
