Mid-Term Study Questions

Please prepare your child for the mid-term exam by studying the below questions, which cover concepts we have learned this first half (chapters 1-15).

The exam is January 18, 2015 and will consist of the below 25 questions, each being worth 4 points.

We have two teachers in our class: me and Sr. Farrah. While we will each be working with your child during the exam to ensure he/she fully understands the question, please review the referenced pages to confirm the answer when helping your child prepare for this exam, insha'Allah.
