

BIS WIS – Islamic Studies (Ms. Susan)

7 April 2013

Dear Parents,

Assalamu Alaikum,

We are approaching our final exam, which will be May 5th. I am attaching a study guide.

There will be 15 questions (like last time) with 2 oral questions. The 15 questions will cover chapters 13-28. The 2 oral questions will be the same as the mid-term – i.e., (1) name the five pillars and (2) name the five daily prayers.

As you can probably see, I really want the students to memorize these 2 basic, but *very* important, aspects of our deen. This class is a primer for the 2nd grade class, which will include much more information and detail.

One *new* feature on the final exam will be true/false, fill-in-the-blank and give-your-best answer questions. My students did great on the mid-term (mash'Allah) and insha'Allah will likewise do great on the final exam.

Please let me know if you have any questions or concerns.

Ms. Susan (422.7655 or lgambino@bellsouth.net)

Note: I will be absent next week (April 14th), so there will be a substitute teacher.
