*"Whoever builds a Masjid for the
sake of Allah, Allah will build a
house for him/her in Paradise."*

“When a man dies, his deeds come to an end except for three things: Sadaqah Jariyah, a knowledge which is beneficial, or a virtuous descendant who prays for him.” —Muslim

Hoover Crescent Islamic Center (HCIC) is the largest and the main center operated by the Birmingham Islamic Society (BIS). The other area Masajid are the Home-wood and the West Side Masjid. The first Jummah was offered at HCIC on December 28, 2007. Like many Masajid in USA, the Birmingham Muslim community went through a rough zoning battle. HCIC started with an Islamic Murabaha loan of \$1,000,000. With the help of Allah and then the community, we were able to successfully pay off the outstanding loan of about half a million dollars in 2012. We are now ready to embark on the remaining phases. More than 400 Muslims pray at HCIC.

Phases will be done over the next several years and will be limited to the expenditure of approximately \$400,000/year. We will first address claiming land for parking by building retaining walls and fill dirt. Our initial meetings with the City of Hoover and Alabama Power on the buffers and easement are very encouraging. *Insha Allah* we will be able to reclaim about sixty feet of land on the entire west side of our property. This translates into scores of additional parking spaces.

Our weekend school has a registration of approximately 150 students and more than

100 kids were registered in our summer 2013 camp. More than 200 people have iftar at HCIC in a rented tent. Red Crescent Clinic of Alabama (RCCA) is another BIS project and currently shares a classroom with our Weekend Islamic School. RCCA serves approximately 60 Muslims and members from the community at large every month. Upon completion of the parking lot project, we will begin, in phases, to add classrooms, a multi-purpose hall and an independent clinic.

This is a golden opportunity to invest in a good deed. This is a *Sadaqah Jariah* for you and your family. We are appealing to you and seeking your assistance to help us complete this project. Remember that no amount is too small.

Please use the prepaid envelope to send your donation.

May Allah bless you and your family.

**Amount Needed in 2013 is
\$400,000**
