

Quran Study Guide for grade 2A

There will not be a written portion to the exam.

It will be out of 100:

50/100 for Surah Quraisyh (memorization)

50/100 for Surah Al Asr (memorization)

I will be grading according to how well they have memorized and their pronunciation. For Surahs Quraisyh and Al Asr, 40 points will be for memorization and 10 points for pronunciation.
