1. What do we say before reciting the Qur'an?

Answer:

The image shows the Arabic calligraphy of the Basmala, the opening of the Quran. The text is written in a traditional, elegant style with clear diacritics. The words are arranged in a single line, starting with the letter 'A' and ending with 'M'. The background is a light, textured grey.

"I seek refuge in Allah from Shaitan, the accursed one."

2. Why do we say this before reciting the Qur'an?

Answer: Because Allah tells us to do so in HIS Qur'an

3. Why does Allah tell us to say this before reciting the Qur'an?

Answer: Shaitan dislikes hearing the recitation of the Qur'an and he being our greatest enemy takes it upon himself to disturb us relentlessly, as soon as we sit down to recite.
