PARENT – STUDENT HANDBOOK

© *SCHOOL COMMITTEE*

August 2019

Introduction

Assalamu Alaikum and welcome to the Birmingham Islamic Society Weekend Islamic (BIS-WIS) School for the 2019-2020 school year.

This handbook has been prepared for students and parents with the intent of providing information about the rules and regulations that govern the school activities. These rules/regulations (responsibilities) were formulated and defined by the school committee for the purpose of achieving our mutual goals as parents, students, and committee; and to lay a strong foundation for our school in the years to come. Please spend a few minutes to read this handbook completely. Each year, the school committee updates and revises the handbook.

The education of our children is a cooperative effort involving the students, school and parents. Informed and concerned parents make fine partners in the educational process. The school committee, staff, and parents must work together and support each other's efforts.

The BIS Weekend Islamic School Committee is responsible for developing the policies, rules, and curriculum according to which the school activities are carried out. Additionally, the committee also processes registration and organizes extra-curricular activities. The Principal, Vice Principal, Teachers, and Assistant Teachers are primarily responsible for providing high quality education based on the policies, rules and curriculum developed by the committee.

While every effort will be made to keep parents informed, parental initiative to know and keep track of their children's program and progress is key to the process of Islamic education. This handbook provides parents an opportunity to become more informed and aware of our school's programs and regulations.

Parents who have any comments or constructive suggestions regarding any school activity should contact the School Committee or leave a note at the BIS office.

- Student will remain silent, unless requested to speak by the assembly coordinator
- Student attendance will be noted
- Formal permission from the Principal or Vice Principal 24 hours in advance is required to be absent or late to the Assembly.

Class Attendance:

- Students will be in class as soon as the bell rings.
- Student will request permission from the teacher to leave the class to get a drink or visit the toilet. Any loitering during this time will result in the teacher making a formal complaint to the Principal or Vice Principal.
- The student will attend the entirety of the class.

Student pick up:

- Early release from the class should be formally requested 24 hours in advance.
- The student will be asked to present absence/excuse slip for early pick up to the teacher and proceed to the office where the parent will meet the student. Parents are discouraged to stand outside the classrooms or in the hallways as this disturbs the class.
- The parent can pick up the child during the time of snack break (11:45-12:15) or at 1:00 pm only.
- At the end of school the parent needs to come into the prayer hall and pick up the student. For security reasons the student will not be allowed to wait in the parking lot for the parent!
- The student will attend the prayer as part of his/her class. Reports of loitering during the salah will be noted and brought to the attention of the Principal.
- The school will not be responsible for the student(s) if they do not comply with these instructions.

ABSENCE AND LATE ARRIVAL (TARDINESS) POLICIES

Absence Policy:

Absence from the school jeopardizes the ability of the student to satisfactorily complete the prescribed course of study. The interruption of the instructional process caused by frequent and/or repeated absence or lateness is a major concern to all involved. It is in this light that the following attendance regulations are put forward:

1. In the case of absence from the school for any particular time period, students will be required upon return to the school to provide the Principal with a note explaining the reason

of absence signed by his/her Parent or Guardian. The note should be legible and include (a) full name of student, (b) date(s) of absence, (c) reason, (d) signature of parent.

2. Failure by the student to provide the Principal with a note explaining his/her absence beyond a two school day period will cause the student to receive a cut notice and his/her Parent's to be informed. Accumulation of 2 cut notices will result in review by the School Principal as to further courses of action, which may include suspension.
3. Students are required to make up all work that they missed during the course of their absence by calling other students before next class.

Lateness Policy:

The parent/guardian's cooperation is sought in ensuring that the students arrive on time. Since the teachers get less than 3 hours with the children each week for instruction, it is very important that they lose no time period due to students' late arrival and the resulting disruption.

It is the responsibility of the parent/guardian to see that his/her child is on time for school. This means that the student should be in the assembly by 10.00am. Arriving late more than 4 times a semester will result in disciplinary action.

LEAVING THE SCHOOL GROUNDS

Unless an emergency takes place, i.e. family emergency, injuries to a student and similar cases, students are not permitted to leave the school premises while it is in session. If the student has to leave the school premises in such an event, the student/parent/guardian should inform the teacher and/or the Principal.

SUSPENSION POLICY

In addition to those items listed above, the following conduct on the part of a student shall constitute immediate grounds for suspension:

- Continued or willful disobedience;
- Open defiance of any teacher or person in authority;
- Actions that constitute an immediate or continuing danger to the physical well being of others;
- Physical assault on another student.
- Taking or attempting to take personal property or money from another student by force or intimidation;
- Willfully causing, or attempting to cause substantial damage to school property (vandalism);
- Use, possession or sale of alcohol or any other controlled substance (including smoking);
- Possession of a weapon or other item, which could be used to cause personal injury (including fireworks).

The exact intensity and duration of the disciplinary action taken against a particular student is to be decided on a case by case basis by the Principal, under advisement of concerned parties, but subject to the final approval of the School Committee in case of expulsion from the school.

Fortunately, in the past 15 years the weekend school has been functioning, alhamdulillah, there has never been a need to resort to this action, and we all hope and pray, that we will never have such a need to take action in the future.

CODE OF CONDUCT

The accepted norms of Islamic Behavior and Modesty will be expected of all individuals associated with the school. These include students, teachers, parents and administration. Failure to comply may result in disciplinary action.

DRESS CODE

Dress in accordance with Islamic Guidelines will be required of all those participating in the school (mentioned above). Specifically, the males will be required to wear clean shirts and long pants that are loose fitting and opaque. The outfit should not be adorned with pictures of animals or human beings in any form or display profane language. This particularly pertains to Musical band and celebrity shirts. The females will be required to wear loose fitting, opaque clothing that only reveals the hands and face (covering everything else including the hair). In addition, they should not wear clothing with the images detailed above.

GRIEVANCE PROCEDURE

If a parent or student has a grievance, he/she may take the following successive route of appeal to correct it:

Teacher
Principal
School Committee

All major grievances should be detailed in writing to appropriate parties.

SCHOOL FEES AND TUITION

School fees for an academic year are printed on the corresponding registration form (BIS-WIS academic year is from August to June).

Tuition dues are payable in full during registration. If any family has financial difficulties in paying the tuition, a request in writing to waive or reduce the fees or to make payment arrangements should be made to the BIS Weekend Islamic School Committee.

The School Committee will announce every year, in due time, any changes in tuition and late registration fees.

ADMISSION PROCEDURES

Minimum age requirement:

A child must be at least 5 years of age (by August 31 of the year) to be admitted to the Weekend School in 1st grade. Years of experience has shown us that children younger than 5 years of age generally will not have the attention span or the ability to keep up with the rest of the students and tend to disrupt the class.

Registration:

A completed registration form for each family (children from the same family can be enrolled on one form) must be submitted along with the appropriate tuition to a school committee member. Registration forms can be obtained from the BIS office or downloaded from the BIS website <https://www.bisweb.org/wis/>

Open enrollment:

Following the pre-registration period, there will be an open enrollment day where new applications for the following academic year will be accepted. These will be processed strictly on a first-come-first-served basis to fill any slots available after the pre-registration period ends. Registration forms can be submitted until the last day of the academic year without incurring late fees.

Admission of children into school in mid-academic year:

New students will be admitted to the school (space permitting) after the start of the school year only during the first semester (till December 31). After that no students will be admitted unless they moved in from outside or they are transferring from another Islamic weekend or full-time school and evidence of their enrollment and attendance at that school is provided.

At least one parent of children in 1st grade should be in the BIS premises during the entire time that the school is in session (Sunday 9.45 AM to 1:30 PM). This is because children at this age have special needs, and may get lonely, teary-eyed or want a parent close by in case they are not feeling well.

EMERGENCY CLOSING

Occasionally, inclement weather, loss of water or electricity, or some other emergency forces the closing of our school. These unscheduled changes of school days are infrequent. However, it is vital that each family knows specifically what to do if an emergency forces closing of the school. When the decision is made to close the school, we will record that information on the BIS voice mail. The School Committee will also inform the Principals who in turn will inform all teachers by telephone. All families are requested to call the BIS Masjid or the Principals when a school closing appears probable.
