

Job Description

Are you passionate about education and have the talents to teach children at the middle and high school level? Do you possess high level interpersonal and presentation skills? Are you a detail and a result oriented professional who loves to see children excel in school? Do you enjoy working with a diverse student body with culture from around the world in a small and intimate classroom setting? If you answered yes to the above questions, we at the Islamic Academy of Alabama would love to hear from you.
